

SCUBAPRO

16th April 2018 – Press Release SCUBAPRO

Effortless saving with the SCUBAPRO Free Octopus Promo

From the 16th April SCUBAPRO are offering a free octopus on selected regulator combinations!

Choose between the MK25 EVO with innovative XTIS technology and the tougher than ever MK17 EVO. When either of these first stages is purchased in combination with the S620 Ti, S600 or G260 second stages, the R195 octopus is completely free! Or treat yourself to something very special and take the exclusive MK25 EVO BT/G260 Black Tech version and still get your free R195 octopus.

Don't forget: All SCUBAPRO regulators feature a 30 year first owner warranty. Due to the high quality of our regulators we have extended the service interval to 2 years or 100 dives (whichever comes first).

And of course all SCUBAPRO regulators exceed the new European test norm EN250-2014 standards!

The Free Octopus Promo runs from the 16th April until the 31st July 2018 at participating authorised SCUBAPRO dealers, while stocks last.

Offer may not be available in all regions. All authorised SCUBAPRO dealers can be found on scubapro.com.

SCUBAPRO is the world's most iconic brand of dive equipment, built by and for those whose passion is found below the water's surface. Founded in 1963 by Gustav Dalla Valle and Dick Bonin, SCUBAPRO remains the industry's gold standard for innovation, performance, reliability and durability. The company's products blend advanced technologies with intuitive, sophisticated designs, allowing divers to focus on their dive experience, not their gear. For the hobbyist to the professional, SCUBAPRO's portfolio features industry-leading regulators, dive computers, BCDs and thermal protection, along with a full line of masks, fins, snorkels, gear bags, scuba accessories and divewear. A Johnson Outdoors, Inc. company, SCUBAPRO employs more than 400 diving enthusiasts in 17 locations spread over 13 countries on four continents.
