# HYDROS PRO

A true breakthrough in design, dive comfort and convenience, the HYDROS PRO is the most feature-rich, customizable and comfortable BCD ever created. Its 2-BCDs-in-1 design, interchangeable straps, packable design and included backpack with room for your entire dive kit, make the HYDROS PRO the perfect BCD for any destination and any dive.

# HYDROS PRO

## ■ WINNER OF THE RED DOT AWARD FOR PRODUCT DESIGN

Thoroughly modern and ultra-high-tech, the HYDROS PRO's ground-breaking design and manufacturing process create a BCD that molds comfortably to the body and provides unequalled load distribution, a super-streamlined profile and rock-solid stability at depth.

winner 2011

## ■ 2-IN-1 BCD

The HYDROS PRO includes both Trav-Tek straps and a fully integrated weight system. So with a quick switch of clips, you can transform it from an integrated-weight BCD to a lightweight harness travel BCD. Now you only need one BCD for both local diving and travel.

## ■ PERFECT FIT

When you are wearing the HYDROS PRO you won't even know it's there. The HYDROS PRO molds to your specific body shape, and is designed with body grip gel, providing extreme comfort and stability.

## ■ TRAVEL FRIENDLY

The HYDROS PRO goes everywhere with you. Light-weight and compact, with a unique smart-pack design, the HYDROS PRO also comes with a customized backpack designed to fit your entire dive kit.

## ■ ULTRA-DURABLE

Monprene® construction means durability. The HYDROS PRO stands up to UV, chemicals, and abrasion without showing typical signs of wear. The modular construction makes repairs, even from remote locations, a snap. It's a BCD for life.

## ■ INSTANT DRY

No water absorption means neutral buoyancy and a lightweight BCD that is dry when it comes out of the water.

## ■ CUSTOMIZE AND ACCESSORIZE

Easily add, remove, or replace weight systems, bungees, D-rings, accessories and pockets to make the HYDROS PRO truly your own. With a wide range of mountable accessories and kits, your options are endless.

## ■ SPECIALIZED FIT FOR WOMEN

Smaller air bladder. Shorter inflator hose. Curved shoulder straps that fit perfectly. Experience the difference of diving with a more thoughtfully designed BCD for women.
